First Sentier Investors (Singapore) ("FSIS") has the sole discretion to determine whether a distribution will be made as well as the rate and frequency of distributions to be made. Distributions are not guaranteed and may fluctuate. Past distributions are not necessarily indicative of future distribution. The distributions will be made out of the income, capital or both. Any distributions will result in an immediate reduction of the net asset value per unit. Investors should note that the intention to make the distributions is not guaranteed by FSIS or its distributors and FSIS may in future review the distribution policy depending on prevailing market conditions. This document has not been reviewed by the Monetary Authority of Singapore.
